WORK EXPERIENCE

Website & App Prototype Design at **Sf Factor**
(JULY 2025 - PRESENT)

SF Factor is a Canadian boutique consulting firm in sustainable finance, where I helped design and develop their B2B sustainability reporting platform.

- Designed wireframes, prototypes, and visual designs for mobile and web-based products
- Design of company reports
- Implementation of branding guidelines

Community Manager at **Créations LYS**
(2021 - PRESENT)

At Créations Lys, a boutique provider of gift wrapping and curated gifts, I designed digital content and managed social media campaigns.

- Designed promotional materials: cards, stickers, and social media visuals...
- Managed the company's social media presence (Instagram, Facebook, Google)
- Focus on the digital brand consistency and content quality
- Main Tools: Canva, CapCut, Adobe Illustrator

CODING PROJECTS

- **CCL1 - Nine lives, one secret:** Nine Lives, One Secret is a stealth puzzle game built with HTML, CSS, and JavaScript, where players help Trésor the cat sneak to a secret room without being caught by her owner(Individual project)
